Ortho Patients New Years Resolutions:

1. I will wear my elastics religiously.
2. I will not flick my elastics at my brother or sister.
3. I will brush my teeth at least twice a day—the RIGHT way.
4. I won't lie to my mom when she asks about my brushing.
5. I won't chew on hard candy like *Jolly Ranchers*.
6. I won't "lose" my headgear anymore.
7. I won't call my Orthodontist Saturday Morning the "opening" day of hunting for an "emergency"
8. I won't gross out my parents by smiling with food in my braces.
9. I won't make my dog wear my retainer.
10. And, I promise to smile more in 2011.

Fun Fact

People who drink 3 or more sodas daily have 62% more dental decay, fillings and tooth loss.

Is invisalign...

invisalign
straight teeth. no braces.

...right for you?

Invisalign® can give you the beautiful straight teeth you've always wanted. It works through a series of invisible, removable, and comfortable aligners that no one can tell you're wearing. Invisalign® uses a series of clear aligners without metal wires or brackets. Ask Dr. Parkinson if Invisalign® is right for you.

After being turned away in the past by orthodontists, Cam decided put her faith in Dr. Parkinson and proceed with Invisalign. Cam is thrilled with the results.

Ask Dr. Parkinson if Invisalign® is right for you.
